### David Mullins, Oklahoma Head Coach

"Today was about what I expected. Doubles was a little closer than when we played them in regular season. They did a little better job, but first sets we did a great job. All across the board I think we won every first set. We played some of the best tennis we've played all year, so we are in good position going into tomorrow."

### Amy Hall-Holt, Kansas Head Coach

"I felt we came out pretty strong in doubles. You realize how important doubles is. That one doubles point could have just affected the whole turnaround of this match. I have got to give Oklahoma credit. They stepped up in doubles when they needed to. Our girls were right there and they fought to the end. You can say would of, could of, should of, but I am very proud of how we competed today."

### NOTES:

- Oklahoma advances to quarterfinals and will face No. 2 seed Baylor on Friday at 3 p.m.
