QUOTES:

Sasha Schmid, Missouri Head Coach

"We're very thrilled and grateful to advance. I have to give a lot of credit to Iowa State. I think they battled incredibly hard. I have all the respect in the world for Iowa State and their coaching staff. I think they've gotten a lot better. It was a test to see who could stay alive today. All the courts were battles; doubles courts and all the singles courts were battles. I think the girls wanted it and fought really hard. I'm really proud of our senior Nina Pantic for coming through in the breaker. I'm proud of all of them, but especially sophomore Rachel Stuhlmann in coming back from an injury, and she fought like heck out there to get the win."

Armando Espinosa, Iowa State Head Coach

"It was good to watch our girls play that hard. I have to take my hat off to Mizzou. They were battling out there the entire time. We got an inch, but they took two. They fought just as hard as we did. It was unfortunate that we took the loss, but they deserved to win."
