CONFERENCE NEWS & NOTES

Big 12 men's basketball leads the nation with 40 percent of its teams advancing to the NCAA Division I Men's Basketball Regional semifinals.

This marks just the second time in Conference history for four teams to advance to the Sweet 16 with the first occurring in 2002 when the league had 12 teams.

For the third-consecutive season and the eighth time overall, the Big 12 has at least three teams in the Regional semifinals.

The Big 12 has 10 appearances in the Regional semifinals since the 2016 tournament, one less than the top spot of 11.

The Big 12 has placed two teams in the regional finals in five of the past 10 NCAA Championships (2008, '09, '10, '12, '16).

Oklahoma State and Baylor both advanced to the second round of the NIT. Oklahoma State will play its second round game on Monday while Baylor ended its season with a one-point defeat.

For the first time in Conference history, the Big 12 sent 90 percent of its men's basketball teams to postseason play with seven in the NCAA Division I Men's Basketball Championship and two in the National Invitation Tournament.

The Big 12 is the first league since at least 1996-97 to accomplish the feat of 90 percent of its teams in postseason.

The Big 12 led the nation with 70 percent of teams in the NCAA Championship. It marked the fifth time (2010, 2014, 2015, 2016) in Conference history that the league had seven NCAA bids and the fourth since the Big 12 became a 10-member league in 2011-12.

BIG 12 CHAMPIONS FOR LIFE

West Virginia gymnastics student-athlete Robyn Bernard says that attending WVU has given her insight into her education and her future. She is earning a degree in exercise physiology because of the many opportunities she will have in the field of medicine after graduation.
