Quotes

Baylor head coach Matt Knoll

On the match:

"It was a great match. I'm really proud of Jordan (Rux) coming through with all the pressure on him. It's a special place to be as a tennis player -- to be on the last match in a big situation. Glad that he was able to come through and hold it together.

"The Big 12's a tough conference. We feel fortunate to be in there with all the great teams in there."

Baylor sophomore Jordan Rux

On being the clinching match for the second straight season at the Big 12 Championship:

"I don't know what it's about; it's just a fluke really. To be in that position, it's what you train for and it's what, I think, every player wants to be in. To be able to come out on top two times, it's really special."

"It was extremely tough mentally. Dealing with the wind out here was a huge factor. Obviously, (Texas' Ed Corrie) is a good player. It was a little tougher (match) than I thought it was going to be. I was a little frustrated at the start but I think I kept my composure pretty well."

Texas head coach Michael Center

On the match:

"It was a tough match. Conditions were tough. I thought we had a good chance in doubles, but just didn't get that point. I was really proud of the way the guys fought back and put ourselves in position to win. We just came up a little short."
