QUOTES

Baylor Head Coach Matt Knoll

"It is a race to get to four and we got to four. We think our guys are playing well. We feel like we are pretty balanced this year. We don't feel that we have a team that one guy really has to win. We feel like we have seven points out there and it is just a matter of staying focused and fighting for every point and I thought we did what we needed to do today.

"We need to build on what we did today. It is always a little tough to play your fist match of a tournament. We got through that one and now we just need to play a lot better. Oklahoma has got a great team and I am sure they will have some fans out here and we absolutely have our hands full. Our guys are going to have to have a good night sleep and be ready to go tomorrow."

TCU Head Coach David Roditi

"We were one match away. The doubles point – we made some crucial mistakes at No. 3 doubles. This is a team that had been awesome for us all year long. I'm really proud of the year they had. They put a lot of energy out there and they're one of the teams that we count on and against Baylor we have not been able to execute. Every time we've played Baylor, I've felt like we could get three points. But it's been tough to get points from certain players on our team against certain guys. We'll grow from it. This will make us stronger and we'll be ready for NCAAs."

NOTES

- Baylor advances to Sunday's 1 p.m. championship match versus No. 2 seed Oklahoma.
