QUOTES

Texas Tech Head Coach Todd Petty

"It was a tough deal. I'm really proud of the way we competed. I'm proud of the way , after getting down like that early in the match, being able to fight our way back. Hats off to Texas. They played so good at the top of the lineup. Kenna had a heroic weekend and Begley was just too tough today.

"This match could have got us in to host (NCAA Regionals) and that was a tough situation, a tough pill to swallow. All I asked them to do before the match was to give 100 percent and don't leave anything in the tank today and if I can look at you and you say you did that then we'll be happy with whatever the result was. And, they all did."

Texas Head Coach Patty Fendick-McCain

"We've got some pretty tough warriors on our team I'm pretty proud of. We have not been playing our best tennis, but, to our credit, I think we fight really hard.

"That was the best underhand serve I think I've ever seen. It's tough as a freshman. (Lana's) only been in the States a couple months. She's a January freshman and that's a lot for her to carry on her shoulder. So just get through it anyway you have to."

NOTES

- Texas advances to Sunday's 1 p.m. championship match versus No. 5 seed Oklahoma State.
- Texas' Lana Groenvynck double faulted away match point twice before following a fifth consecutive fault with an underhand serve to clinch the fourth point.
