QUOTES

Texas Head Coach Patty Fendick-McCain

"It really relaxed us, the way the we won that match (Saturday) at the end. That kind of got everyone fired up and they came out ready to play. We've played a lot of three matches condensed to prepare for this. We knew we were ready to go. We didn't play very well in doubles yesterday and we talked about it a lot last night.

"(Breanna Addison) is one of the best freshmen in the country for sure. She's solid. She's got every shot in the game. Both of our freshmen, they went 6-for-6 at six and at two. Bringing those points every match, it's great. Aerial Ellis is always awesome and Elizabeth Begley coming back two days in a row."

Oklahoma State Head Coach Chris Young

"Texas just played a great match. Texas was the better team. I wish that we would have had our legs under us a little bit more. The girls gave everything they had yesterday. We started off a little bit slow. We pulled it even in doubles, and losing that doubles point at the end took a little air out of our girls. Our girls competed hard today. I think we gave a good effort. We just didn't have enough left after two really difficult days. Texas just played great. They're a tough team, so I give credit to them."
