#### QUOTES

*Baylor head coach Matt Knoll*

"I always think we can pull it out. I had a lot of confidence in all the guys that were out there. Diego's guy served for the match in the second set and when he broke there I thought that we had a path. I really felt like Patrick would get it done and I really thought Mitchel would get it done. Momentum was so radically on their side (when we were down 3-1). Their crowd was into it, but it is hard to cheer when you are getting drilled and we were getting drilled, but we hung in there." –Head coach Matt Knoll on being down 3-1 and getting the win.

"I am proud of our guys. I had looked at some scores around the country where teams had lost the doubles and a bunch of first sets and had still gone on to win the match. I brought that to practice and said, 'look we are going to have to do this to achieve what we want to achieve.' Today was that day." –Knoll on the comeback upset win.
